NOTES TO USERS

For information and questions about this map, available products associated with the FIRM including historic versions of the FIRM, how to order products or the National Flood Insurance Program in general, please visit the FEMA Map Information Exchange at FEMA.gov (247.136.267) or visit the FEMA Map Service Center website at MSC.FEMA.gov. Available products may include previously issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map. Many of these products can be ordered or obtained directly from the website. Users may determine the correct map date for each FIRM panel by visiting the FEMA Map Service Center website or by calling the FEMA Map Information Exchange.

Communities seeking help on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM index. These may be obtained directly from the Map Service Center or the number listed above.

For community and state/province map data refer to the Flood Insurance Study report for the jurisdiction. To determine if flood insurance is available in the community, contact your insurance agent or call the National Flood Insurance Program at 1-800-424-6250.

Base map information shown on this FIRM was provided in digital format by multiple sources and is digital format by Jackson County GIS Services and A/E/C Services. This information was compiled at various map scales and dated 2015.
