

ASHLAND POLICE DEPARTMENT

PRESS RELEASE

Re: Homicide of David Michael Grubbs

APD Case # 11-3093

Date: November 22, 2011

On November 22, 2011 an autopsy was performed on the body of David Michael Grubbs. The death was ruled to be a homicide. The autopsy revealed that cause of death was multiple sharp force injuries to the head and neck causing near decapitation.

The weapon is believed to be a very sharp, possibly medium to large sized, edged weapon.

The investigation is continuing and police are requesting the communities help in providing information. Anyone with information regarding this incident is asked to contact the Ashland Police at 541-482-5211 or call the Anonymous Tip Line at 541-552-2333.
