

## CITY OF ASHLAND

# 2026 Community Development Block Grant (CDBG) Program Request for Proposals (RFP)

### Introduction

The City of Ashland is presently accepting proposals for the allocation of approximately **\$138,608** in Community Development Block Grants (CDBG) for the 2026 Program Year. The City of Ashland may not receive final notification of the annual CDBG award amount from the Department of Housing and Urban Development until after awards have been made. The estimate is included in providing guidance to applicants regarding the expected amount of available funds. The City will reserve the right to award more or less than this estimate depending on the final entitlement amount authorized by Congress and the Department of Housing and Urban Development.

To utilize CDBG funds most effectively to address the highest priority needs, the City has limited the award of CDBG funds to fewer than three projects that provide housing to extremely low, low-moderate income, and special needs households, and social service activities addressing the Homeless or Special Needs goals.

Appropriate projects may include support services for homelessness prevention and transition as part of a comprehensive approach that improves the living conditions of clients, or housing support and supportive services for people with special needs are also eligible uses of CDBG funds under the 2025-2029 CDBG Consolidated Plan. Under CDBG regulatory limits only 15% of the anticipated 2026 allocation is available for social services and thus such awards are limited to approximately **\$24,395**.

This is the sixteenth year that HUD has awarded CDBG funds to the City of Ashland. The primary purpose of the CDBG Program is to fund community development projects and programs, which benefit low and moderate-income people.

The City of Ashland Housing and Human Services advisory committee will review the grant requests and make a recommendation for grant awards to the City Council. Subsequently, the City Council will hold a public hearing and make a final decision on the grant award(s).

## Qualifying for CDBG Funds

In order to qualify for CDBG funds, a project or program must be evaluated in three areas. More detail about the three areas is described in the following sections.

1. The project or program must address at least one of the spending priorities identified in the City of Ashland 2025-2029 Consolidated Plan.  
Available online at-
2. The project or program must meet one of the national objectives of the CDBG program.
3. The project or program must be listed as an “eligible” activity in the CDBG statute.

## Compliance with

### Consolidated Plan

In April 2025, the Ashland City Council adopted the 2025-2029 Consolidated Plan for use of CDBG funds as required by the U.S. Department of Housing and Urban Development. The Consolidated Plan is a strategic plan outlining housing and community development needs in Ashland and spending priorities to address those needs. The following spending priorities were identified in the current Consolidated Plan. **Proposal submitted for funding must address one or more of these spending priorities.** Those which do not address the Consolidated Plan priorities will not be funded.

## Spending Priorities from City of Ashland Consolidated Plan

CDBG funds will be allocated in Ashland according to the following priorities. In cases where there are competing projects for limited funds, the project(s) that are ranked the highest will be funded. The priorities are based on the needs identified in the Consolidated Plan.

## Goals

### ***Support services for homelessness outreach, prevention, and transition.***

Goal Outcomes:

- Rent/Security deposit assistance to prevent or alleviate homelessness.
- Outreach/direct services to homeless populations

***Support housing and services for peoples with special needs (peoples with special needs include the elderly, the frail elderly, persons with developmental disabilities, persons with physical disabilities, persons with severe mental illness, persons with alcohol or drug dependence, persons with HIV/AIDS).***

Goal Outcomes:

- Number of beneficiaries with increased or improved access to housing opportunities
- Number of beneficiaries receiving new or improved access to supportive services that improve health, safety, general welfare and/or self-sufficiency.

## Medium Priority

***Support economic development activities that assist in reducing poverty among low-, moderate-income, and special needs populations.***

Goal Outcomes:

- Number of beneficiaries with new or improved access to job training or employment related education, training services

## Low Priority

***Improve safety and access in neighborhoods and areas throughout the City.***

Goal Outcomes:

- Number of newly installed or improved wheelchair ramps
- Linear feet of sidewalk completed in qualified low-income census block groups.

***Improve transportation options for low-income and special needs populations.***

Goal Outcomes:

- Number of beneficiaries with new or improved access to transportation resources

## **CDBG Grant Award Criteria from City of Ashland Consolidated Plan**

In addition to the above spending priorities, the Consolidated Plan requires the following process and use of award criteria for determining the projects receiving CDBG funds.

**The City of Ashland has a limited amount of CDBG funds to use each year in comparison to the scope of the housing and community development needs of the community.** As a result, it is essential that the funding be used in a manner that best meets the City's priorities and is efficient and cost-effective. To this end, the spending priorities have been ranked by importance, and a set of award criteria has been established.

### **CDBG Grant Award Criteria**

The steps for making the annual grant awards decision is outlined below.

1. The first step is for Staff to assess the project proposals to determine if the eligibility criteria are met.
2. The second step is to determine the spending priority that the proposed projects address. Higher priority projects will be awarded CDBG funds before lower priority projects.
3. The third step in the process is for the Housing and Human Services Advisory Committee (HHSAC) to develop a grant award recommendation to the City Council using the following criteria to determine the projects which best meet the City's spending priorities. Each application will be rated on a high-medium-low scale for each criterion. The HHSAC will provide applicants with the opportunity to make a presentation on the project proposal and provide community members with the opportunity to comment by holding a public meeting.

4. The final step in the process is for the City Council to decide on the grant award using the HHSAC recommendation and the following criteria to determine the project which best meets the City's spending priorities. Each application will be rated on a high-medium-low scale for each criterion. The City Council will provide applicants with the opportunity to make a presentation on the project proposal and provide community members with the opportunity to comment by holding a public hearing.

### **CDBG Project Proposal Rating Criteria**

- A. The project provides benefit to a demographic group that has a need documented in the City of Ashland CDBG 2025-2029 Consolidated Plan.
- B. The project assists low- and moderate-income households in substantially improving their living conditions. The proposed project must have or be part of a comprehensive approach that takes clients from the beginning to the end of the process that improves their living conditions. "Safety net" services or services that meet basic needs shall only be funded if it can be demonstrated that clients receiving those benefits are part of a program that will eventually help them obtain self sufficiency. The exception to this requirement is projects targeted at helping people with special needs - Elderly, Persons with HIV/AIDS, Persons with Physical Disabilities, Persons with Mental Illness, Developmentally Disabled, and Persons with Alcohol and Drug Addictions.
- C. The project is a proven effective strategy to improve conditions or solve an identified problem.
- D. If the project is related to affordable housing, the project retains the units as affordable. The longer the units remain affordable, the higher the project shall be given.
- E. If the project is related to economic development for jobs for low- and moderate-income people, at least 51% of the jobs shall be held by low- and moderate- income people. The longer period of time the jobs are held by low- and moderate-income people, the higher ranking the project shall be given. The larger percentage of jobs held by low- and moderate –income persons, the higher ranking the project shall be given.
- F. The project maximizes partnerships in the community (volunteers, in-kind contributions, cash contributions, multiple organizations involved, etc.).
- G. The project has at least 10% of the total project in matching funds. The larger the amount of matching funds, the higher ranking the project shall be given.
- H. The project utilizes already existing resources in effective and innovative ways. The project shall not duplicate services provided by another organization.

- I. The agency submitting the proposal has the capacity to carry out the project.
- J. The budget and timeline are well thought out and realistic.
- K. The project is ready for implementation.
- L. The identified property is currently available for acquisition.
- M. The relocation of existing residents will be minimized, and when necessary, the applicant has included accurate relocation assistance costs as part of the project pro-forma.
- N. The proposal demonstrates Community Development Block Grant (CDBG) funds are the most appropriate funding source for the project.

### **National Objectives**

All proposed projects must meet at least one of the three national objectives of the CDBG Program. The three national objectives are:

1. Primarily benefit low- and moderate-income people (at least 51% of beneficiaries must be low/mod income people/households).
2. Aid in prevention or elimination of slums or blight.
3. Meet a particularly urgent community development need.

### **Ineligible CDBG Activities**

The general rule is that any activity not specifically identified as eligible is considered ineligible. Listed below are specific activities which are ineligible:

- New housing construction.
- Buildings used predominantly for the general conduct of government (except for removal of architectural barriers) and other general government expenses.
- Political activities.
- Purchase of furnishings, motor vehicles and equipment.
- Operating and maintenance expenses, including repair of public facilities and improvements.
- Income payments.
- Improvement to buildings used for religious activities.

### **Eligible Applicants**

Applicants must be a unit of government or a non-profit 501(C) (3) charitable organization.

**Low- and Moderate- Income Guidelines**

At least 51% of the funded activity participants must meet low or moderate-income guidelines as determined by HUD for the Medford-Ashland standard metropolitan statistical area (MSA). The current income guidelines are as follows:

Income Limits by Family Size: \$/year								
*For the Medford-Ashland Statistical Area as determined by the Department of Housing and Urban Development for FY 2025. Note that an update to these figures, for the 2026 program year, will be provided when available (typically in May).								
Income Level Category	Number of Persons in Family							
	1	2	3	4	5	6	7	8+
Extremely Low Income (30%AMI)	19,400	22,200	26,650	<b>32,150</b>	37,650	43,150	48,650	54,150
Low Income (50%AMI)	32,350	37,000	41,600	<b>46,200</b>	49,900	53,600	57,300	61,000
Moderate Income (80%AMI)	51,750	59,150	66,550	<b>73,900</b>	79,850	85,750	91,650	97,550

There are four ways to demonstrate compliance with these income requirements.

**Documentation is required to be submitted on a quarterly basis verifying compliance using one of the following methods.**

1. The activity must benefit clientele who are generally presumed to be people of principally low and moderate incomes. The following groups are presumed by HUD to meet this criterion: abused children, battered spouses, elderly people, handicapped people, homeless people, illiterate people, migrant farm workers, people with developmental disabilities, people living with HIV/AIDS, and people experiencing mental or emotional disturbances; or
2. Information on family size and income must be provided that shows that at least 51 percent of the clientele are people whose family income does not exceed the low- and moderate-income limit; or
3. The activity must have income eligibility requirements which limit the activity exclusively to low- and moderate-income people; or
4. The activity must be of such nature, and be in such a location, that it may be concluded that the activity's clientele will primarily be low and moderate-income people. An "area benefit" survey, as outlined in the CDBG program, may be required by the applicant.

## Proposal Evaluation

- Proposals which do not contain all information required by this RFP or are otherwise non-responsive to the questions may be rejected immediately.
- The City reserves the right to fund projects at a level which is less than the amount requested.
- The application must show that the proposal cannot be completed without the requested CDBG funds.
- The City reserves the right to waive irregularities or deficiencies in a proposal if the City determines that waiver is in the best interests of the City.
- The City may request supplemental written information from an applicant concerning the applicant's ability to perform the services. If an applicant fails to provide supplemental information within the time stated in the request, the City may refuse to consider the applicant's proposal.
- The City may request an interview with any applicant. If a proposal is unclear, or appears inadequate, the applicant may be given an opportunity to explain how the proposal complies with this RFP.
- The City reserves the right to make such investigation it deems appropriate to determine whether an applicant is qualified to provide the services. If an applicant fails to cooperate with an investigation, or if an applicant provides false, misleading, or incomplete information, the City may refuse to consider the applicant's proposal.
- In cases of doubt or differences of opinion concerning the interpretation of this RFP, the City reserves the exclusive right to determine the intent, purpose and meaning of any provision in this RFP.

## Other Information

If you submit more than one project proposal, please indicate your order of priority.

If you anticipate that for the proposed project, or an alternative project, you will be submitting an application for additional CDBG funds in future years, please provide details regarding that future request. Specifically, if the current proposal would *necessitate* all or part of any future CDBG funds for completion, this relationship needs to be clearly identified with this application.

Successful applicants must be willing to comply with all applicable Federal, State and City statutes, rules, regulations, and record keeping requirements governing the use of CDBG funds. The applicant selected by the City will be required to enter into a written contract requiring compliance with the RFP and the proposal

and any modifications and conditions imposed by the City including CDBG grant terms applicable to the project. This contract must be signed and executed prior to disbursement of any funds.

Funds will be available upon completion of all regulatory requirements for use of federal funds including but not limited to completion of an Environmental Review. *(HUD's regulations at 24 CFR 58.22 prohibit HUD recipients or any participant in the development process including public or private nonprofit or for-profit entities, or any of their contractors from committing HUD funds to a project, or non-HUD funds to activities that would have an adverse impact or limit the choice of reasonable alternatives, prior to completion of the environmental review).*

### **City of Ashland Living Wage Ordinance**

For any project receiving over \$18,703 in grant awards and or contracts from the City of Ashland, the recipient shall comply with the City of Ashland Living Wage Ordinance (Chapter 3.12 of the Ashland Municipal Code). The Living Wage Ordinance requires that a living wage be paid to employees, employees of contractors to the city, and employees of recipients of city grants. All employers and grant recipients covered under this chapter shall pay employees a "living wage" of wages and benefits equal to or greater than \$14.52 per hour (CPI 06/30/2016-adjusted annually in June to reflect increases in the Consumer Price Index). Benefits, which can be attributed to a living wage, are limited to health care, retirement, 401k and IRS eligible cafeteria plans including childcare.

### **Proposal Deadline:**

**All proposals must be received by 3:00p.m on February 20, 2026.**

**Electronic submittals preferred, though hardcopies may also be submitted in person or through the postal service.**

Submittal of one electronic copy by email is encouraged although not required.

Hand deliver complete applications:  
Attn: Linda Reid at the Community Development and Engineering Services Building located at 51 Winburn Way, Ashland.

**Questions** For questions about the RFP, please contact Linda Reid, Housing Program Manager at (541) 552-2043, or reidl@ashland.or.us

Applicants are cautioned not to make any assumptions as to the implied meaning or intent of any part of the RFP. Applicants should request clarification if needed. Every request for information on or clarification of the RFP must be submitted to Linda Reid in writing at least ten days prior to the date set for the deadline for proposals.

Any prospective applicant who contends that the provisions of this RFP or any aspect of the procurement process will encourage favoritism in the award of the contract for services, or substantially diminish competition, must file a written protest to the RFP at least ten days prior to the date set for the first review of proposals. Failure to file a protest will be deemed a waiver of any claim by an applicant that the procurement process violates any provision of ORS Chapter 279, the City of Ashland Local Contract Review Board Rules or the City's procedures for screening and selection of personal service contractors.

The provisions of this RFP cannot be modified by oral interpretations or statements. If inquiries or comments by applicants raise issues that require clarification by the City, or the City decides to revise any part of this RFP, addenda will be provided by all persons who receive the RFP. Receipt of an addendum must be acknowledged by signing and returning it with the proposal.
